

My Credit

You agree that by navigating beyond the My Credit tab in our Online and Mobile Banking Service and continuing beyond the “Agree and Continue” button, or by otherwise accessing or using the My Credit Third-Party Content, you instruct Grow Financial Federal Credit Union “Grow” to periodically obtain your credit report to use it for the following purposes:

- To display your credit score information to you for educational purposes and to assist you in understanding how financial transactions affect your credit score;
- To confirm your identity, such as to identify potential fraudulent transactions in your name; and
- To offer our products and services to you

We will use the information on your customer file to verify your identity without any additional action needed by you. This information includes your name, social security number, birthdate and address.

When we display your credit score, this is a composite score designed by a third party and its use does not affect your credit score. If you choose to apply for additional products and services we offer (including extensions of credit), we may need to obtain your credit report, which can affect your credit score. We will request additional authorization from you at that time, if required.

The score shown is your VantageScore 3.0 score.

Each of the three credit bureaus (Equifax, Experian, and TransUnion) uses a different model to calculate a credit score and each gathers data independently. The credit bureaus pull your information from many different sources (such as lenders, collections, court records) at different times, there will always be discrepancies at any particular time between the reports from each credit bureau. Other financial institutions and companies that provide your credit score use different methods. Some rely on FICO® Score and some rely on VantageScore. Even between those two companies, there are credit scores based on reports from one bureau, two bureaus, or all three bureaus.

Your lender (including Grow Financial) may not use VantageScore 3.0, so it is possible that your lender will give you a score that differs from your VantageScore. (And your VantageScore 3.0 may differ from your score under other types of VantageScores). Just remember that your associated risk level is often the same even if the number is not. For some consumers, however, the risk assessment of VantageScore 3.0 could vary, sometimes substantially, from a lender's score. If the lender's score is lower than your VantageScore 3.0, it is possible this difference can lead to higher interest rates and sometimes credit denial.

The score is eligible for update every 30 days. To update your score, you must log in to online or mobile banking at or after 30 days since enrollment and/or subsequent updates. If the My Credit tool is not accessed for 60 days, it will only pull the most recent report and not two reports.
